

### Lopez, Matilde

I am Matilde Alvarado Lopez. I have been pastoring in El Salvador for over twenty seven years and I am the general treasurer of our organization. I have been very involved in the planting of new churches. Our present plan is to plant a church in the city of Zacatecoluca which has a population of 75,000 people. It is very needful since we do not have a church in this city. We are excited about this opportunity.

I am married to Rosario and have one son, David, and one daughter, Sara.

Thank you for your prayers and financial support. Pray for Zacatecoluca that we may see great growth this year.
